**SINGAPORE, January 23, 2019** – Alpadis Group, the provider of multi-jurisdictional corporate and bespoke fiduciary services, announces today the acquisition of the Labuan Trust Company business from KPMG Labuan Trust Company Limited (“KPMG”) in Malaysia. The transfer of the Labuan Trust Company business from KPMG will be completed in February 2019 with Alpadis Group taking over KPMG’s Labuan Trust Company business client portfolio and staff. “Our agreement with KPMG to acquire the Labuan Trust Company business will really give the group a boost in this important jurisdiction” says Alpadis Group CEO Alain Esseiva, adding “we are a fast-growing group operating in a complex regulatory environment, so to have the staff from KPMG’s Labuan Trust Company business join Alpadis to continue servicing the clients will provide the perfect complement to Alpadis Group’s own core competencies. In Labuan, KPMG has been providing corporate services and tax advisory for over 20 years and has established a number of top-level clients which Alpadis Group can now service. This acquisition and transfer of the Labuan Trust Company clients from KPMG will add to Alpadis Group’s steady growth over the past few years in Hong Kong and Singapore, further adding expertise and capacity for us to be able to provide the best, most professional service for our clients.”
